

Confirmation of residence

For the entitlement to purchase the **Family Topcard 2020/21**

Please fill in all details below and confirm with your signature that all persons are living in the same household. The residents' registration office of your municipality of residence will then sign the form for our reference. After that, you can upload your residence confirmation when purchasing the Topcard online. When buying at the cashier desks, please take your official identity document with you and also present the stamped confirmation of residence when you buy your subscription. The confirmation from the residents' registration office must not be older than 30 days.
