Yes, but a medical certificate is absolutely necessary for a refund.

The date of the accident or the beginning of the illness is relevant for the calculation of the refund. 80% by the end of October
70% by the end of November
60 % by the end of December
45 % by the end of January
30 % by the end of February
from 1 March no refunds are longer paid

Is my TOPCARD valid every day?

With the exception of the specified additional services, the use of the cable cars, pistes and trails at normal times of day (without morning and night events) is included. The respective operating days of the mountain railways apply. Due to weather conditions or technical problems there may be restrictions in use. Furthermore, use at special events (e.g. the Mountain Bike World Cup in Lenzerheide) may be subject to the purchase of an event ticket or otherwise restricted.
